## SUMMARY

Computer Engineering student (KazNU) with hands-on experience in Django/Python backend development and a strong interest in QA. Proficient with C++, SQL, Postman, and Selenium. Seeking to apply skills to improve product reliability and user experience.

## WORK EXPERIENCE

### KFC Almaty — Industrial Practice

June 2024 - August 2024

Analyzed technical infrastructure and documented workflows. Configured surveillance cameras (Config-Tool) and optimized automation processes.

### University Projects — Al-Farabi Kazakh National University

2025 - Present

- **Digitalem.kz:** Developed a Django platform for IT solutions and digital education, integrating front-end/backend and managing deployment.
- **Metallurgy Research:** Designed a data management structure for research and prepared analytical reports based on structured data.

## PROJECTS

### Digitalem Web Platform

[mako202.pythonanywhere.com](#)

- Developed a scalable web platform with Django to showcase IT and IoT projects.
- Designed a responsive UI using HTML/CSS/Bootstrap and integrated an admin panel.

### Mika Personal Portfolio

[mika202.pythonanywhere.com](#)

- Created a personal portfolio to display software and AI projects using Django and SQLite.
- Implemented dynamic content management, project filtering, and a contact form.

## EDUCATION

2025 - Present Bachelor's Degree in **Computer Engineering, Al-Farabi KazNU** (Exp. 2027)  
2023 High School Diploma, **Physics and Mathematics Focus** (Graduated with Honors)

## SKILLS

### Programming

Python, C++, JavaScript (basic), HTML, CSS, SQL

### Frameworks & Tools

Django, PyCharm, Git, ConfigTool, Visual Studio, Postman, Selenium (beginner)

### Networking & Systems

Router configuration, IP setup, Windows administration, Linux (basic)

### Testing & QA

Functional & API testing, bug reporting (JIRA, Notion), UI/UX feedback

### Soft Skills

Analytical thinking, attention to detail, teamwork, communication, learning agility

### Languages

Kazakh (Native), Russian (Advanced), English (Pre-Intermediate)
